

Technical data

Audi Q5 2.0 TFSI® quattro®		
Engine		
Engine Type		4-cyl. inline petrol engine with direct fuel injection, turbocharging and Audi valve system
Displacement in cc		1984
Max. power output in bhp / at rpm		252 / 5000-6000
Max. torque in Nm / at rpm		370 / 1600-4500
Power transmission/wheels		
Drivetrain Type		quattro® permanent four-wheel drive
Transmission:		7-speed S tronic
Wheels		Cast aluminium alloy wheels, 19" x 8J '5 wing' design
Tyres		235/55/R19
Performance / Consumption / Acoustics		
Top speed, km/h		237
Acceleration 0-100 km/h in sec		6.3
Fuel grade		RON 95 Super
Fuel consumption in l/100 km	urban	8.6
	extra-urban	6.3
	mixed	7.1
CO2 emissions in g/km	combined	162
Emissions standard		EURO 4
Weights / Capacities		
Unladen weight in kg		1795
Gross weight limit in kg		2400
Roof load / trailer nose weight in kg		75 / 100
Fuel tank capacity in l		70

Q5

One of the strengths of quattro lies in recognising the right moment.

Ready for almost every surface. And the challenges of the future. The quattro all-wheel drive system with ultra technology. For all 4-cylinder engines with quattro permanent all-wheel drive, an intelligent operating strategy ensures that your Q5 is efficient, dynamic and safe - with the usual traction. If quattro is not required, it switches off, thus helping the driver to save fuel. The all-wheel drive remains permanently available of course. If the driving situation requires quattro, it is always ready. And impresses with a balanced distribution of forces in many road conditions.

Developed to move you. Even when at a standstill,

Every detail of the new Audi Q5 is characterised by the typical Q design and embodies dynamism and confidence. Like the striking bonnet or the gently sloping roof line, the exterior mirrors on the shoulders and the slim window line. An expression of a high degree of sportiness. And leave a deep impression, even offroad.

Give light a whole new design: the Audi LED headlights.

The new Audi Q5 is a shining example. It impresses from afar with the Audi LED headlights. The LED daytime running lights are unmistakable. The dynamic indicators unmissable. The headlights adapt to the situation in seconds and make progress visible. Just as spectacular: the new sculpted radiator grille and powerful horizontal lines, which emphasise the width and strength of the Audi Q5. Even before you hear the engine.

Lets you take centre stage.
Even in your seat.

The interior of the new Audi Q5 is geared towards the driver and offers plenty of room for customising thanks to the larger wheelbase. An elegant atmosphere, with impressive with acoustic glazing as standard and sport seats in the front. Proving that the driver is always the number one priority.

Demonstrates greatness. In every detail.

The new Audi Q5 impresses with a longer wheelbase, a more generous amount of space and practical storage options. The standard luggage compartment roller cover and the luggage compartment mat allow you to adapt the luggage compartment exactly to your requirements. The remote backrest release allows the rear seat backrests to be folded and the luggage space to be more than doubled.

Easy to operate. Hard to miss.

The large, slim 8.3-inch colour display in the MMI navigation plus offers impressive clarity and a straightforward operating concept. So that you are well informed in no time at all. Whether navigation, radio or phone fewer buttons lead you to more functions. Quickly, intuitively and with MMI touch. Control everything via touchscreen or voice control. The Audi smartphone interface integrates selected mobile phone content into your Audi. And turns the screen into a smartphone display.

Everything at a glance.
At the right moment.

The Audi virtual cockpit makes progress visible. The fully digital instrument cluster with high-resolution 12.3-inch screen displays a wide range of driver-related information. From speed to navigation and communication - you choose from numerous display options. And have the future in sight.

Takes the driver everywhere.
Even to new worlds of sound and light.

The Ambient lighting package makes the interior shine in a special light. Even the inlays on the dashboard are illuminated. Match the colour to your personal taste. You can enjoy a concert hall atmosphere with the Bang & Olufsen Sound System. No fewer than 19 loudspeakers create an unmistakeable 3D sound. And win thunderous applause from all passengers.

Created for almost every landscape: the new Audi Q5.

Don't leave anything to chance. Whether for comfort, style or dynamics, this premium SUV is convincing from the world go. Its appearance is so expressive, its drive so powerful, its technologies so pioneering. And your options so versatile. Day in, day out - with the new Audi Q5.

Does not skimp on power. But helps save fuel.

The TFSI engines make the new Audi Q5 efficient and perceptibly powerful. The 4-cylinder engines impress with enhanced performance. In addition, the quattro all-wheel drive guarantees a better response during steering and acceleration.

Now is calling.

City, country, forest track, road, bend, motorway, weekend, family, holidays, beach - life holds so many possibilities. Experience them. In the new Audi Q5.
